Available Funds:

Banking	Account	Balance	Notes
	Parent Council	£31.82	
	Actions	£810.80	After paying for a number of wishlist items at the end of 2019

Items of Note:

- We chatted about the Reformer and about how to encourage parents to bring issues to the Parent Council by using our email or coming to meetings more often. (assuming the issues have not already been brought to the school)
- The school has had some issues with Support Staff, but no more than any other school. There are further adverts out to continue the replacement of any lost staff. Update upcoming.
- Jan responded to the education authority about the negative Newspaper article on the school. There has been some fallout, but we think it will blow over. The school and PC are trying to put more measures in place to avoid this happening in the future. Possibly Jan to talk to Education Authority/newspaper about positive pieces.
- Feedback on college places – Jan has had meetings to talk about and resolve current timetable issues

On Going Actions:

- Kathleen – Micro grant
- Imogen – Rotary Trike funding
- Kathleen – Awards for all (lottery)
- Cinema night – 17th January – Jan to check PVG requirements
- Karen – include in newsletters – donation bottles, bags, PC email address, PC meetings
- Jan – arrange letter for local stores to donate
